MINISTRY OF STEEL AND MINES

(Department of Mines and Metals)

New Delhi, the 27th October 1964

G.S.R. 1592.—The following draft of rules further to amend the Coal Mines (Conservation and Safety) Rules, 1954, which the Central Government propose to make in exercise of the powers conferred by section 17 of the Coal Mines (Conservation and Safety) Act, 1952 (12 of 1952), is published as required by sub-section (1) of the said section, for the information of all persons likely to be affected thereby, and notice is hereby given that the said draft will be taken into consideration on or after the 27th December, 1964.

Any objection or suggestion which may be received from any person with respect to the said draft before the date so specified will be considered by the Central Government.

DRAFT RULES

1. These rules may be called the Coal Mines (Conservation and Safety) Second Amendment Rules, 1964.

2. In the Coal Mines (Conservation and Safety) Rules, 1954, in rule 39, after sub-rule (1), the following sub-rule shall be inserted, namely:—

“(1A) The permission granted by the Board under sub-rule (1) shall lapse if—

- (a) no effective steps are taken to open or reopen the coal mine or seam or section of a seam, as the case may be, within one year from the date of such permission;
- (b) the coal mine or seam or section of a seam is not opened within two years from the date of such permission; and
- (c) no application referred to in sub-rule (2) is submitted for the purposes of grading within 30 months from the date of such permission.

‘Explanation:—For the purposes of this sub-rule, the expression “effective steps” means sinking of shafts, driving of inclines, removal of overburden and installation of machinery for starting development.’
